

MIRZA MOHIBUL HASAN

Undergrad Student and Full-Stack Developer

+8801991347811 || mirzamohibul618@gmail.com || [Linkedin](#) || [GitHub](#)

Faridpur, Dhaka, Bangladesh

OBJECTIVE

Seeking a full-stack MERN development internship to apply my skills and knowledge, contribute to organizational growth, and gain hands-on experience in delivering high-quality web applications. Committed to expanding my expertise, collaborating with professionals, and making a positive impact in the field of web development.

SKILLS

Programming Language: Javascripts, Java, C++, C
Programming Skills : Object Oriented Programming, Data Structure & Algorithms, Design Patterns
Frameworks: : React, Express.js, Tailwind
Tools : Git, Github, Firebase, React Router, Postman
Database Management : Microsoft SQL Server, MongoDB, MySQL

EXPERIENCE

Trainer - C Programming Camp Jan 2022 - Present
JUST ACM Laboratories, Jessore University of Science and Technology Jessore-7408, Bangladesh

- Teaching C programming and setting challenging contest problems.
- Enhancing students' skills through hands-on learning and practical examples.
- Creating a supportive environment to foster critical thinking and problem-solving abilities.

PROJECTS

Language Oasis - [Live Site](#) [Client Repo](#) [Server Repo](#)

Features:

- User Login and Register System with Stripe payment gateway implementation
- Popular Classes by number of enrollment, Popular Instructors and Select class for future payment.
- Dashboard: User Selected Class, User Enrolled Class, User Payment History. Instructors Add New Class, Instructors Added Classes. Admin Manage Classes, Admin Manage Users

Tools: React, Express.js, MongoDB, Tailwind, React Router, Firebase, Stripe Payment Gateway, Axios, TanStack Query

Admin Info: Email: admin@gmail.com Password: A123456@

Sports Toy Zone - [Live Site](#) [Client Repo](#) [Server Repo](#)

Features:

- Toy Gallery with Football, Cricket & Boxing categories, latest collection, and customer reviews.
- User Registration, Login (Google or Email/Password).
- Toy management (Add, View, Update, Delete). All Toys listing, customer messaging, and user-specific toy tracking.

Tools: React, Express.js, MongoDB, Tailwind, React Router, Firebase

Bengal Cuisine - [Live Site](#) [Client Repo](#) [Server Repo](#)

Features:

- Online Recipe Tutorials with chef-specific recipes, user registration, and login options via Github and Google.
- User Login using Email and Password for personalized experience, featuring a collection of recipes from various chefs.
- Favorite list functionality to save and access preferred recipes.

Tools: React, Express.js, Tailwind, React Router, Firebase

EDUCATION

Bachelor of Computer Science and Engineering,

Jessore University of Science and Technology

2020 - Present

Jessore-7408, Bangladesh

YGPA: 3.48 (Scale of 4)

AWARDS

- **The 2022 ICPC Asia Dhaka Regional Site Online Preliminary Contest** - Honorable Mention
- **The 2022 ICPC Asia Dhaka Regional Site Online Preliminary Contest** - Honorable Mention
- **SMSC Debate Championship - 2015** - Best Debater

EXTRA-CURRICULAR ACTIVITIES

Problem Solving & Coding Competitions

- Strengthening programming skills through contests and challenges.
- Solved 500 problems on different online judges like Codeforces, Codechef, Leetcode and HackerRank
- Applying theory to practical scenarios, fostering creativity and analytical thinking.
- Collaboration, learning, and staying updated with industry trends in programming and problem-solving.

Debate and Public Speaking Activities

- Actively participating in debate competitions, honing public speaking, critical thinking, and persuasive communication skills.
- Engaging in simulations of international diplomacy, analyzing complex global issues, and proposing diplomatic solutions.
- Attending workshops to further refine presentation skills, confidence, and the ability to articulate ideas effectively.

LEADERSHIP

Problem Setter - LAB Challenge 1.0

- Crafting challenging problems to test coding skills and problem-solving abilities.
- Diverse problem sets covering various topics, promoting creativity and knowledge.
- Clear problem statements, well-defined specifications, and sample test cases for participant guidance.

President - SMSC Debating Club

March 2015 - January 2016

- Empowering students through engaging discussions and honing persuasive skills.
- Organized debates, workshops, and competitions for critical thinking and effective communication.
- Fostering inclusivity, respect, and healthy competition to cultivate strong public speakers.

LANGUAGE

- **Bangla** - Native
- **English** - Fluent
